

Island Foundation Facility Use Policy

The Island Foundation Board permits and encourages public use of designated school facilities for educational, recreational, civic, or social activities, when these activities do not conflict with school use or with this policy.

The Superintendent of Seashore Charter Schools or designee is authorized to approve use of District facilities and campus facilities. No group or organization shall be permitted to use any school facility for any purpose other than official school business prior to executing a formal written contract.

Approval shall not be granted for any purpose that would damage school property or to groups that are known to have damaged District or other rented property.

Organizations using school facilities shall:

1. Conduct their business in an orderly manner.
2. Abide by all laws and policies, including but not limited to those prohibiting the use, sale, or possession of alcoholic beverages, illegal drugs, and firearms and the use of tobacco products on school property.
3. Make no alteration, temporary or permanent, to school property without prior written consent from the Superintendent.
4. Complete the Rental Cleanup Checklist.

Organizations or individuals using school facilities shall release the District from liability for personal injury and/or damages to personal property. All groups using school facilities shall be responsible for the cost of damages incurred during their use. Organizations using school facilities shall provide evidence of liability insurance.
