MISSION

The mission of Seashore After School Care is to provide school age after school care activities dedicated to developing self-esteem, confidence, and social skills while delivering an educational curriculum which focuses on the whole child.

VALUES

In accomplishing our mission, we:

- Value each child's language, intellectual, social, emotional, physical, and creative development
- Value the dignity of each child, parent, and staff member
- Are guided by respect for self, for others, and for the environment.
- Affirm the job of doing one's best.
- Enable the success of each person by providing a professional, caring, and nurturing school.
- Provide an environment in which children develop their talents in a cooperative atmosphere.
- Value communication that is open, honest, and kind.

VISION

We envision a school in which children love to learn, staff are open to professional growth and parents are actively involved. With a variety of experiences and backgrounds that parents contribute, they are a valuable resource. We see the parents, staff and board members modeling the very behavior they teach cooperation, courtesy and respect. We see a school in which communication is open, honest, and kind and where all participants are working to be their best. Our vision is that of a school that grows in enrollment because of parents' enthusiastic support.

We see a school in which our children are proud of their surroundings and take good care of them. We see them using natural materials, gardening, taking care of animals and working happily in their academic endeavors. We see a place where creativity flourishes and the spark of curiosity flames into a variety of academic projects.

If tuition is not paid in a timely manner, an initial late fee of \$25 will be charged after five days and \$5 per day will be assessed for each additional day until the account is paid in full.

All Registration & Supply fees are per school year and non-refundable. Second and subsequent children enrolled in preschool receive a 15% discount on tuition.

A \$30 fee will be charged for any returned check that results in non-payment. A **written two-week notice** is required prior to withdrawal. All tuition and fees must be paid in full by the last class day in May or your child may be **refused** enrollment to any PEP program until tuition is paid in full. Please refer to the Tuition Policy Agreement for complete details on delinquent accounts.

GENERAL POLICIES AND PROCEDURES

ACCIDENTS

If a child is injured at school, you will receive written notice on the day of the accident about what occurred, and the care given to your child. We ask that you notify us if your child visits a doctor or hospital following an accident at school.

ADDRESS CHANGES

Families who move during the school year must report their new address and/or telephone number to the office as soon as possible. Name changes pertaining to parents or students should also be reported immediately. Additionally, if the contact information for those people listed on your child's emergency card should change, the office should be notified as soon as possible.

ANIMALS

We will notify parents in writing when animals are or will be present during SASC hours. We will ensure that caregivers and children practice good hygiene and hand washing after handling or encountering an animal and items used by an animal, such as water bowls, food bowls, and cages.

APPEARANCE

Students are to wear the clothing they wear to school (SLC uniform) except for children who may change into scout, soccer, or other uniforms with a signed permission slip from parents.

ARRIVAL AND DEPARTURE

Our doors open at 3:15 p.m. Monday through Friday on SLC operating days only. SASC staff will meet your child at the designated pick-up location at their respective campus and escort them to After School Care. If your child has not attended SLC on a particular day, they are not allowed to attend After Care on that day.

All children are to be picked up no later than 5:55 p.m. Picking your child up late will result in a fine as outlined on your Tuition Agreement form.

ATTENDANCE

Attendance records are maintained on all students at SASC. If your child will be absent, it is suggested that you contact the SASC Supervisor to notify of such.

BEHAVIOR, DISCIPLINE AND GUIDANCE

It is imperative that each student takes full responsibility for his/her own behavior and respects the rights of classmates. The faculty and staff will adhere to a discipline and guidance policy that is individualized, consistent, and appropriate for the child's level of understanding while teaching the child acceptable behavior and self-control. Only positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction will be used. The normal disciplinary approach to an infraction involves analyzing cause and affect and developing strategies to reduce

inappropriate behavior. There will be no harsh, cruel, or unusual treatment of any child. Parents will be required to sign a copy of our Discipline and Guidance Policy that provides more detailed information.

The teacher will bring unacceptable behavior to the attention of the student in the classroom. Repeated offenses will result in removal from the classroom. A student will not be allowed to disrupt the classroom continuously. When the seriousness or frequency of the infraction suggests a need for other measures, the following serves as a guide in relating consequences to various degrees of offenses. In cases not precisely defined herein, the Director takes such actions as judged appropriate.

- Willful and disorderly behavior or deliberate violation of school rules and policies will result in parental notification and/or meeting with students, parents, and faculty together.
- Serious behavior problems, disrespectful speech, disrespectful or harmful actions, or willful destruction or defacing of property can result in up to three (3) days suspension plus compensation for any property damage.
- Severe insubordination, chronic repetition of offenses cited above, or repeated failure to observe rules or policies may result in expulsion.

A student or parent has the right to appeal recommendation for suspension or expulsion. If a student or parent does not agree with the decision of the program director, a hearing before the Board of Directors may be requested.

BRINGING ITEMS FROM HOME

Toys from home are discouraged at SASC. Not only are they a disruption but they may become broken or lost.

CLOSURES

Should a weather-related emergency or another situation that would compromise the safety of our students, SASC will be closed. For pertinent information, we ask our parents/staff to watch KRIS-TV for school closure updates. **If Seashore Charter Schools close due to weather, SASC will close as well. This includes early closures for weather or other safety issues.**

DISPUTE RESOLUTION

To provide a fair and efficient procedure to facilitate the resolution of disputes, and to preserve the integrity of Seashore After School Care Program, the following guidelines have been established. A “dispute” may include any disagreement or conflict between individuals or with the policies of the program or any disagreement with actions or decisions of administration.

A student who has a dispute with another student or with a teacher has the following course of actions:

- Resolve the dispute in an amicable manner with the other person.
- Bring the dispute to the attention of the teacher.
- Discuss the dispute with his/her parent.

- Hold parent, student, and teacher meeting.
- Parent and/or student may discuss the dispute with administration.

A parent who has a dispute with a teacher, administration, or a parent who disagrees with a policy of SASC Program should:

- Bring the matter to the attention of the teacher or administration and attempt in good faith to work out the dispute directly with the person in question.
- If the dispute remains unresolved, or if the dispute relates to a policy of SASC Program, then the matter should be brought to the attention of the PEP Director.
- If the dispute remains unresolved or the person disagrees with the decision of administration after consulting with administration, then the person may communicate the dispute or disagreement orally or in writing to the Board Program Liaison.
- The Board Program Liaison may either resolve the matter or refer the matter to the Island Foundation Board of Directors for resolution. If the matter is referred to the Board of Directors, its decision will be final.

Any member of the staff, administration or parent of a student at the school who has a dispute with administration, or who otherwise disagrees with a policy of the school after consulting with administration, must communicate directly with the Board Program Liaison or full Board in accordance with the aforementioned procedures and not with any individual Board member.

EMERGENCY EVACUATIONS

In the event of an emergency that requires evacuation for Seashore After School Care, the children will be relocated to St. Andrew By the Sea Church next to Seashore Learning Center school. Should an evacuation occur, a note will be placed on the front doors of the building as to the children's location.

HEALTH REQUIREMENTS

Health information and immunization records are maintained by Seashore Learning Center. It is your responsibility to disclose any medical condition which may affect the participation of your child in SASC program. Allergies must be documented by a doctor's note.

ILLNESS

Seashore After School Care follows the same rules as Seashore Learning Center. If your child has been home ill, they will not be allowed to attend SASC until they have been cleared for return to school. In the event they become ill while at After School Care you will be notified to come and pick him/her up.

MEDICAL EMERGENCIES

If critical illness or injury requires immediate attention of a physician, SASC will:

- Contact emergency medical services or take the child to the nearest emergency room.
- Give the child first-aid treatment or CPR when needed.
- Contact the physician identified in the child's record.

- Contact the child's parent.
- Ensure supervision of other children in the group.

MEDICATIONS

Any prescription medications brought by parents for their child(ren) must:

- Be brought to the office and be administered by staff only.
- Be in the original container.
- Be labeled with the child's name.
- Be labeled with the date.
- Include directions to administer the medication.
- Include the name of the physician prescribing the medication.

Parents are required to complete an Authorization for Dispensing Medication Form in order for any medication to be administered.

Administration of Over the Counter (OTC) medication can only be given per instructions on package unless altered by a doctor's written instructions. Your doctor can fax this to us at 949-6762. All medicines must come to the office and **never** be stored in backpacks or lunch boxes.

PARENTAL NOTIFICATIONS

Parents will be notified of daily happenings by the child's teacher either verbally or via email. Additional information will be posted at the center and/or sent out by PEP Director via email, as necessary.

PARENT-DIRECTOR MEETING

Parents may request a meeting with the PEP Director at any time to discuss any questions or concerns they may have regarding the policies and procedures of our program.

PLAYGROUND & WATER ACTIVITIES

The staff is actively engaged with the children, involving them in gross motor activities and exercise. Teachers supervise children's behavior along with safe use of the playground equipment.

We maintain DFPS ratios for water activities. Children are required to wear appropriate clothing for water activities when going to the pool. Children must also have their own swimsuit, swim shoes, sunscreen, and a towel labeled with their name. Only children whose parents have signed permission slips for water activities will be able to participate. Water tables may be used in the classroom.

RELEASE OF CHILDREN

All children are only released to the people listed on their admissions form. For your family's safety, we do ID. If you have planned a play date with a currently enrolled child, you must write a note releasing the child into that parent's custody for the day.

SNACKS

SASC serves snacks daily. A snack schedule is posted on the information wall. If you prefer, you may send a snack with your child. If your child has a specific dietary restriction due to allergies or other reason you are required to provide your child with his/her own snack. Please keep chips, candy, gum, cake, pies, or cookies at home to give to your child at your discretion.

Please note that from time to time we have students with food allergies. Depending on the severity and type of allergy it may become necessary to request that certain items not be brought to school. In rare cases, it may be necessary to eliminate certain food items. All parents will be notified in advance if this situation arises.

WEB SITE

The Island Foundation has a web site that includes information about Private Education Programs. To view the web site, go to: www.seashorecharterschools.com and click on Private Education Programs. We would like to include pictures of the children during program hours both in school and on field trips. We will not use any names to protect the privacy of our families. We will only include pictures of those children for whom we have permission slips on file.

WITHDRAWAL

A 2-week written notice is required for withdrawals. If a child withdraws from school, arrangements must be made through the office. Many fees are not refundable, as explained in the registration packet and the tuition agreement. Parents will continue to be billed and are responsible for all incurred fees until the school is notified, in writing, that the child is withdrawing.
